

## *Welcome*

We view our wine collection as an evolving process, meant to change with the seasons and mature with the restaurant. Just as we aspire to support the small farmers in our kitchen, we search for small production wines and spirits that remain hidden gems of the wine and spirits world. With these lesser known products comes our commitment to education; please do not hesitate to ask our staff about any of our products. Should you desire, we would be happy to prepare your wine before your arrival; whether your wine or ours, our goal is to provide an exceptional experience.

### Corkage:

Hawks corkage is 30 dollars per 750ml bottle; up to 3 bottles

We will gladly waive one corkage for every 750ml bottle purchased
